Subject: Planning Applications Y/88/13 & Y/32/14/L

Dear Mr Tansley,

I write regarding the two Hobbs Court outbuilding conversion applications (Y/88/13 & Y/32/14/L). I have just realised that Y/88/13 contains the plans that were on Y/89/13/L and not those plans which we managed to get amended and which are present on Y/32/14/L. I have asked the applicant to supply a set of the most recent plans so we can change those on Y/88/13.

I can see that the Parish Council assessed both applications at the same meeting and made the same comments for each but I am unsure which version of the plans were viewed at that time. I am proposing to take the two applications to the planning committee on the 2nd of July and therefore, if the Parish Council did not previously view the plans on Y/32/14/L and wish to now revise their comments then I would be glad to receive any additional comments.

Kind Regards
