Dear Nicola,

As previously discussed the above planning application seeks permission for the variation of Condition 2 imposed under reference Y/1/17/OUT. The proposed variation would result in extending the time in which the development must be started in conflict with s73(5) of the Town and Country Planning Act 1990 (as amended). Therefore, the application is invalid and I would be grateful if this could be recorded on the system and the planning fee refunded to the applicant.

Please let me know if you require any further information in relation to this.

Kind regards,
David
