Dear Mr Hutchinson,

The application is still within the consultation period (albeit that it ends tomorrow). In addition to surrounding residents and the Parish Council, we have consulted Highways, Southern Water, Drainage Engineers, Network Rail, Tree Officer and Environmental Health. We have so far had responses from Highways, Network Rail and drainage engineers. These can be viewed on our website.

As regards timescales, I would like to request an extension of time of 1 additional month until the 16th of August. We as a planning team have some resourcing issues at present and all officers are determining applications late. Currently your application is sitting 51st out of my caseload of 60 and you will appreciate that I have to work on getting the older applications done first.

Kind Regards

Dear Mr Davis,

I am writing in respect of the above planning application for which I understand you to be the case officer.

Please can you provide me with an update on the application?

Specifically, I would be grateful to hear whether you anticipate the application to be dealt with in time, and also your likely recommendation and if you have any comments at this stage?

I look forward to hearing from you.

Kind Regards,

James
