Thank you for your internet representation made on 9th May 2025 which has been recorded as an objection with the comments as follows:

OWPC76366

I object to this. I have now lost count of how many new build estates have gone up in the past few years. The village is losing its identity. I no longer feel safe going to the local shop after 6pm. The roads in the village cannot cope with the amount of traffic we already have. There is not enough work here so people are commuting to work many miles away. No school places. Doctors surgeries are filling to capacity. And departments in St Richard's Hospital are unable take more patients and referring to other hospitals. The is also a problem with water. We have flooding in the winter, and with global warming not enough water in this area for so many people in the summer.

Your views as made above will be considered before the application is determined.
