I have lived in the village for over 30 years brought up my family here I can't understand what homes keep being built in Yapton. We had so much wild life and beautiful places to walk (which is good for our mental health) The traffic is terrible, doctors schools are full we have no village anymore. Every piece of land around us is being built on come on give us a break please leave us some green space in walking distance to admire not just houses with more cars and people we can not take any more . Please re think our lives and health depend on more than just houses .

Your views as made above will be considered before the application is determined.
