Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: Y/32/25/PL

Site Address: Land West of Bilsham Road Yapton BN18 0LA

Description of works: Erection of 170 No. residential dwellings (30% affordable), parking spaces, internal site roads, public open space, children's play space, pumping station, surface water drainage features, landscaping and associated works. This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 30th May 2025 which has been recorded as an objection with the comments as follows:

OWPC76909

Another 170 houses in Yapton will add further strain on services. Avisford Medical Group had to send a message after Easter saying that their services were overwhelmed and to ring 111 if medical attention was needed. How would they cope with, probably, over 400 new patients? The childrens' centre has also closed, just as demand was increasing.

The road system through the village and surrounding roads, particularly the exit via Comet Corner is already at capacity.

Drainage is always a problem in the winter in those fields and adjacent roads.

In addition more building will have a detrimental effect on wildlife and will further limit residents' access to open space.

The character of the village has already been changed considerably and even more houses will only worsen this. Yapton, with the amenities of a village but the population of a small town, has had more than its fair share of new building and no time to adjust to the increased population.

Your views as made above will be considered before the application is determined.
