

Hi there

Further to below request please can you remove the Environmental Statement on the case file for now?

I will get a revised one from the new agent

Thanks
Amy

Dear Amy

I am emailing to ask you to remove the Lizard Environmental Statement with our name on it. The reports and plans for this application and all background work was undertaken by Neame Sutton and logged onto the Planning Portal back in 2018, however the applicant refused to pay our fees, or rather sign our fee agreement. It is noted that he has now gone to another agent with all this prepared work. Please can you remove this statement.

Best regards
Susan
