3 Description of Development

Demolition of existing dwelling & outbuildings & erection of 7 No. dwellings comprising 3 No. 4 bed houses, 1 No. 3 bed house & 3 No 2 bed houses. This application is a Departure from the Development Plan.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **REFUSE** to approve the development as described in the application and plans for the reasons stated.

- 1 The site lies in a countryside location outside the defined Built-Up Area Boundary of Yapton and the proposal, which would reinforce existing ribbon development and due to its layout appear prominent and incongruous, would erode the existing intrinsic character of the countryside and harm the visual amenity of this semi-rural area. The proposal is contrary to the National Planning Policy Framework, Policies SD SP2, C SP1, D SP1, D DM1 and LAN DM1 of the Arun Local Plan (2018) and Policies H1 and BB1 of the Yapton Neighbourhood Plan (2014).
- 2 There has been a failure to demonstrate the development would not suffer flood risk or increase flood risk elsewhere, contrary to the requirements of the National Planning Policy Framework (2019), policies W DM2 and W DM3 of the Arun Local Plan (2018) and policy E11 of the Yapton Neighbourhood Plan (2014).
- 3 There has been a failure to demonstrate protected species would be adequately protected, as required by legislation and policy ENV DM5 of the Arun Local Plan (2018) and policy E5 of the Yapton Neighbourhood Plan (2014) causing harm to biodiversity.
- 4 There has been a failure to demonstrate trees and hedgerows on the site would be adequately

protected from the development, contrary to the requirements of policy ENV DM4 of the Arun Local Plan (2018) and policy E4 of the Yapton Neighbourhood Plan (2014).

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and determining the application within a timely manner, clearly setting out the reason(s) for refusal, allowing the Applicant the opportunity to consider the harm caused and whether or not it can be remedied by a revision to the proposal. The Local Planning Authority is willing to provide pre-application advice in respect of any future application for a revised development.

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
