Dear Mr Castro-Parker,

I write to inform you that no application notice has been posted locally for this application - or if it has, then the applicant has removed it. Certainly one has never been seen, which means many residents here know nothing of this application as they don't all have regular computer access.

Also, I urge you to please review the conditions imposed on what were classed originally as 'sheds' in the applicant's previous planning application, Y/66/14/HH. At no time has there been a 'wooden garage and workshop' on this site - previous applications for a large garage were refused – and the conditions imposed on Y/66/14/HH were specifically 'to prevent the storage of vehicles, machinery and watercraft'.

Thank you.

A concerned Flansham resident
