FOR THE ATTENTION OF Ms IRAA MALIK

Dear Madam

Please find attached drawings revised to include the additional side elevation requested.

The site is within Lidsey Treatment Catchment Area. I confirm the following:

1. Property is connected to foul drainage public sewer, no additional drainage connection works are proposed.
2. Surface water soakage tests have been undertaken at the property and the design will be subject to ADC Engineer agreement.

I trust the application can now be formally accepted.
