Dear Mr Tansley,

The application has been considered on the basis that although the hardstanding will be of concrete there will be a soakaway and aco drain system installed. It has also being taken into account that there is a vast expanse of grass to the side so provision has been made to direct run-off water from the hard surface so as to prevent surface water running direct onto the public highway.

Regards

Janice Chapman
Planner

Janice

Would you please confirm that the approved hardstanding will specify a permeable/porous surface?

David Tansley

Clerk of Yapton Parish Council
