Nik,

I have now written up the application.

Are you able to grant an extension of time of one week to allow a colleague to sign of my report?

Nik,

Thanks -- there are a number of trees that run along that boundary -- are you able to confirm if they are in your clients property or next door?

Nik,

Thanks for the clarification.

Do you have any photographs of the rear of the garage looking west that you could send?

I am starting to write my report today and will need to request an extension of time – I will advise on the timescale for this early next week.

Dear Mr Vick,

Thank you for your message yesterday. I've tried to return your call but picked up that you are out of the office, so am following it up with an email. The drawings 'as existing' show the side of the front gable, photo as below: This is not shown as a dormer.

Please let me know if you have any other queries.

Kind regards,

Nik Wood
