Dear Obafemi,

Further to the consultee reply relating to Condition 25, copy attached, please find additional supporting information.

As previously noted;

- There will be no street lighting on the development.
- External lighting will be limited to a PIR time controlled single wall mounted lantern luminaire located adjacent to each front door and rear access door for each dwelling. Maximum fitting height from ground level 1.95m. Each luminaire will have an integrated led light source limited to a maximum of 7w and fitted with a diffused lens.

We hope this now satisfies your requirements so the condition can be discharged.

Regards,

Edward Van der Wee
