Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Dear Finlay,

I refer to the above development and the recently submitted planning and Listed Building Consent applications – we notice that the address quoted says 'Old Barn House, Wellow Barn, Hoe Lane'.

As these are two separate properties and to avoid confusion (I understand that there is a current application in for Old Barn House for another development at the moment), can we ask for the 'Old Barn House' bit to be removed from the address?

I look forward to hearing from you. Thanks.

Kind regards,

Chris Moore
