Good Morning Sean

With reference to your email below regarding the validation of PP-11099524, we are currently working on 10th March, and will validate your application as soon as possible.

With regards to the plans to be superseded, please can you send them to planning@arun.gov.uk, you will also need to include a Drawling List that clearly shows the plans and/or statements to be superseded etc.

Many Thanks

Morning Nicola,

Hope you are well and had a nice weekend.

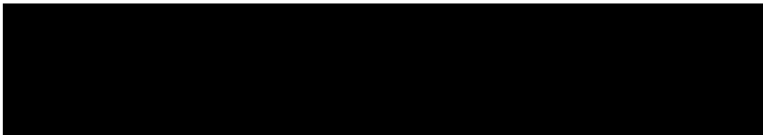

I was just wondering how you getting on with the validation of PP11099524v1RCM?

We also have updated plans to be submitted with the application following comments from Arun DC's Engineer , can I send these direct to yourself to supersede some of the plans submitted?

Many thanks,
Sean

I'm yet to receive an acknowledgement or validation notice on this and understand Laura is back in today to review the submission. Are you able to see if this has been received your end please?

Many thanks,
Sean
