I believe the elevations and floor plan match. Took me a while to get my head around.

The LHS of the GF floorplan is the 'bottom' side elevation.

The RHS of the GF floorplan is the 'top' side elevation.

Rob,

Please tell me I am crazy...

One of the side elevations looks fine to me but the other looks as though the shape should be different, as in not showing the wc and wc window...and no windows are shown on the side floor plan whilst both ground floor elevations show windows...

Thanks,
Daun

Rob,

I had to break the original brochure into separate pdfs.

Can you just send me the corrected pdf?

Thanks

Sorry Rob!

The side elevation on the Bromgrove house (plans 36 & 317) don't accord. Looks like there should be windows on both side elevations but the floor plan only shows windows on one of the side elevations.

Please take a look and let me know what you think!

Thanks,

Daun
