Dear Rob,

Thank you for the update.

At this point, what is most important is the commentary I requested on the National and Arun Design Guides as our Head of Planning has indicated that he wanted to review the layout but won't unless we have these. Although, it makes sense to supply this with the minor changes I asked for but just be aware that I will then have our Head of Planning look at the application.

Hi Simon – hope you are keeping well.

Just a quick update to say that the design team are busy working on this project and the revised details should be completed this week or early next.

I should therefore be in a position to share these with you for consideration during the course of next week and we should be ok to work within the current target date without an EoT at this stage.

Regards,

Rob Riding
