Dear Sir/Madam,

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT

Site Address: Land West of Bilsham Road Yapton

Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 29th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43813

Firstly, this is a prime agricultural field, not brown field, and goes against the government's pledge to stop tearing up green field sites. Secondly, we do not need more houses in the Yapton area. There are presently so many housing developments in progress, that there soon won't be any green space left. The local infrastructure - roads, doctors, schools - are struggling to cope now, and with all the fields, ditches, woods and hedgerows being destroyed, the slightest amount of rain causes flooding in many areas. And the amount of dust in the air is a major concern. I wholeheartedly object 5000% against this and any more developments in Yapton. Enough is enough. The planning committee must make the right decision and refuse this application. The locals have had enough and the infrastructure is already at breaking point. Please leave our village alone.

Your views as made above will be considered before the application is determined.
