OWPC43814

Surely you can't seriously be thinking about approving yet another build of houses! I strongly object to this plan and any other plans in the pipeline and the ones before them! You cannot and morally should not be allowed to continue to destroy yet more land and wildlife in these fields! We don't have any extra schools, doctors or shops. The roads are already so overcrowded as it is and there will be no green space left anywhere at this rate!! It's not even affordable housing for those desperate for a home!! Selfish and thoughtless!! Unbelievable and I object to the highest level!!

Your views as made above will be considered before the application is determined.
