OWPC43815

This village has seen it's fair share of housing developments being built throughout the green spaces we have to appreciate on our doorstep. We cannot possibly support more residents using our public services such as schools, doctors, shops and roads. We are one small village of West Sussex who will have to put up with the multiple developments that have been passed and built in the next 5 years. Please don't add more to the strain on Yapton and the surrounding villages.

Your views as made above will be considered before the application is determined.
