Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). Thank you for your internet representation made on 29th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43817

How can another application which is a departure from the local plan be justified. Yapton has been absolutely swamped with new housing in the last few years with no upgrade in any infrastructure whatsoever, so it cannot simply sustain more growth like this.

I object for the following reasons

We have major traffic issues at Comet Corner,

A significant pinch point at Bilsham Stores, causing traffic chaos. We suffer speeding traffic down Bilsham Road, so yet more traffic the local school roads and numbers are overwhelmed

We have no capacity at the doctors surgeries .

The location plan doesn't even show the proposed development next door which has planning permission already, so is misleading.

The wildlife and vegetation will be irreplaceable.

The ground there is waterlogged in the winter

All this to fill the pockets of the greedy landowners who have sold out most of their fields round here in the last few years. We have had enough. It's a disgrace.

Your views as made above will be considered before the application is determined.
