Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 29th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43821

Yapton as a community has taken on far more than it's fare share of additional residential dwellings. There has been no support for the infrastructure, no increase services for the local community and time and time again out green spaces which make yapton a village community are being stripped away from the very heart of the community.

The housing estate I live on is opposite the proposed area in which these houses would be built. I already hear traffic from my house despite having Triple glazing. I don't want anymore noise. The traffic along bilsham road is increasing daily and as such not making it an area I feel I can walk my dog and feel safe to do so.

This excess building must stop. The heart of the community is being destroyed by building too many houses, which are wholly inappropriate and disproportionate to the original village size.

Your views as made above will be considered before the application is determined.
