Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 29th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43822

There has to be a point when the development in and around Yapton stops. We do not have the services and infrastructure to support any more housing. We have only one relatively small primary school and the doctors in and around the village are already struggling with the number of patients they have. The roads are not designed to have this number of cars on them. It is vital that the need for new housing is balanced with the need to not destroy every bit of green space in Yapton. This development is not within the local development plan and Yapton have taken more than their fair share of developments. Please please please no more.

Your views as made above will be considered before the application is determined.
