Dear Sir/Madam

Having lived here for many years my husband and, I feel that more house building will become detrimental to the village, not only do we not have the right schools, Doctors, sewage to be able to keep Yapton running as a village as it should do but, it would also cause traffic issues on areas such as comet corner. Also the wildlife would suffer as we have many beautiful animals in our village, building on this site causes damage to hedgerows where many birds, hedgehogs, etc live.

Also what's being ignored is this area is the only rural part leading down to the sea, when it's built up it will be urbanised more of the same as the rest of the built up coast line making Yapton YAPTOWN

Your views as made above will be considered before the application is determined.
