Thank you for your internet representation made on 30th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43824

Yapton is being flooded with housing developments. Bringing misery to existing residents. Just go and look at the primary school area where new builds are going up without any extra parking or decent roads. New villagers are welcome but not unthought out planning. Build more schools, facilities for the existing people who live here first before destroying more countryside. The roads through Yapton are not fit for purpose. So I object in the strongest terms to the ridiculous non thoughtout planning gone into this new proposed development.

Your views as made above will be considered before the application is determined.
