This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 31st January 2022 which has been recorded as an objection with the comments as follows:

OWPC43880

1. There are no local facilities for children and teenagers.
2. Already mayhem around schools at beginning and end of day
3. The pathways are dangerous enough with the amount of traffic and the roads are pot holed enough with more cars coming in and out
4. Doctors- it already takes 45 minutes to an hour to get through to a GP and you have an approx of 20% chance of getting an appointment.
5. There are no local dentists
6. There are no community hubs etc..
7. There are more than enough developments going up in the area.
8. The money 'given' by developers doesn't even get out into the area

Enough is enough now. The constant building, trucks, workers is just aggravating now and it's getting to a point it will boil over with people losing their tempers. It needs to stop. Give the place a break

Your views as made above will be considered before the application is determined.
