This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 3rd February 2022 which has been recorded as an objection with the comments as follows:

OWPC44002

This is just one estate to many for a village with no amenities.

The school is a small village school on a small site with no parking so that alone encroaches on the conservation area and the lives of those who live there.

There are no pubs, cafes, entertainment venues so where do people go without driving and putting more burden on the small roads.

There is zero for teens to do and it's too remote for them to access anywhere. I know from experience. This will potentially create antisocial behavior which is a bigger issue to tackle.

The design is not in keeping along Bilsham road with 2 blocks of flats 10-13 14-17 with balconies overlooking the cottages opposite encroaching on privacy. The street is houses all along so this development should have been designed to be in keeping with that.

This development is stealing prime agricultural land which is criminal, you can never get this land back once its gone.

Other sites should be sourced Yapton is being forced to take more development because other areas in the county are not taking their share of the load.

This development should not be permitted for so many reasons.

Your views as made above will be considered before the application is determined.
