Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 16th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44441

I object strongly to this application for the following reasons:

It is not on the neighbourhood plan.

Bilsham Road is already not able to cope with the amount of traffic using it, and the effect of new developments has not been felt yet.

Village services are inadequate for the expected influx of new residents from the developments under construction already.

Southern Water is struggling with the existing sewage demands without adding more.

This is good agricultural land and should not be lost.

The Prime Minister, in October 2021, promised no more building on green field sites.

Yapton has already been swamped by new developments and to allow any more outside the local plan will destroy the character of the village and make it all the harder to reject further application on green field sites.

It is time for our MP and local representatives to make a stand to oppose this before the Six Villages become one urban sprawl.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
