Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 28th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44709

I wish to object to this proposal for the following reasons:

The effect of the traffic in Yapton and Bilsham Road, which is already very busy and overused. The roads around Yapton are simply not good enough now.

We have seen in the current developments in the area and the inconvenience it has caused to residents. The constant roadworks going up and down causing delays and the mess left in the roads.

The developments are already going to increase traffic in the area. Access to the already busy A259 is hazardous now, this will only get worse with current developments. There is more than enough development in Yapton. There comes a time that it must stop to respect the current Council Tax payers. In my opinion, it is based on greed not need. No infrastructure to support these developments is proposed. When the current developments are populated, what provision is made for young people in the area?

I understand developments should not be on agricultural land.

I hope I have made my views clear and have tried to justify them.

Naeem Awan
