Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 4th March 2022 which has been recorded as an objection with the comments as follows:

OWPC44885

I object to this development. It is alongside the SD7 site where there will already be 550 homes built. This development is not part of the neighbourhood plan and would be far too much pressure on the Bilsham Road which already has very heavy traffic. There is a new build site opposite on Cinders Lane which is adding to traffic. The SD7 site will more be causing horrendous traffic chaos and this proposed site will create even more extremely heavy traffic. We do not have amenities/facilities for another 110 homes to be built. Schools and doctors surgery's are full. The only way to travel is by car. The only reliable bus to get to a train is the 700 to Littlehampton, which means a slower train service. There are 5 buses a day to get to Barnham Station from Yapton, and Barnham is the fast service to Horsham and London. London is where the majority of the house buyers are coming from (informed by workers on sites). So, the main road into Barnham from Yapton is constantly busy. The North End Road is also extremely busy as a lot of new build estates are being built there. It is used as a rat run to get to the A27, and can be very clogged up with traffic during school drop off and pick up times. This request will only add to all of this.

Your views as made above will be considered before the application is determined.
