Good Afternoon Simon

I'm not sure our paths have crossed before.

We have been working with colleagues in Arun now for a number of years to secure a site for a new secondary school to serve Arun District. Discussions with the landowner of the preferred site as highlighted by the Systra study undertaken by your colleagues have reached an impasse. At a recent meeting and via email exchanges with your Chief Exec, Karl Roberts and our director of Education, Paul Wagstaff and Graham Olway it was advised that we would be objecting to all planning applications until such time as a secondary school site has been secured.

In case you were not aware back in 2019 a joint paper was written between ourselves & Arun officers in relation to the secondary school contributions, I attach a copy for your information.

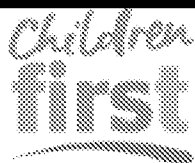

Whilst we understand the developers comments regarding there currently being places available in secondary schools in the area, this capacity has already been allocated as described in P 3a.2 of the attached document, we will not therefore be altering our current position.

Kind Regards

Dear Simon

Please see the attached letter in response to the objection by WSCC Education.

I hope following consideration of the letter you can confirm that you still intend to take the application to committee on 27 April.

However, if you think it would be helpful to discuss matters further please let me know.

Kind regards,

Lisa
