Subject: Y/3/22/OUT Land West of Bilsham Road, Yapton - PC Conditions

Dear Lisa,

I have just issued through our system a request to agree PC conditions for the full element of the hybrid.

Please note however that the system cannot differentiate between the PC conditions on the full and those on the Outline. As no agreement is required for PC conditions on an outline, you can ignore the request in relation to the conditions numbered 64-71.

I will be happy to share the full conditions with you for comment but they first need to be reviewed by my team leader and I hope to be able to do this next week.

I may have just issued a second letter (the same) as the system is being slow and is not showing the letter as being released. Please advise if you don't receive by Monday.

Kind Regards
