Thank you for your internet representation made on 10th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47372

Absolutely NO. This can not be allowed to happen, we have lost and continue to loose so much open farm land in yapton to housing developments that local people can not afford.

Yapton has lost so so much Green space in local times to development. There is very little infrastructure in Yapton to cope with the increased demands of an ever expand community. The roads are becoming even more busy, the village even more dirty and we are at over saturation point. Yapton is a village not a town and should remain as such, not suffocated by constant house building which is Destroying our local community. This application must not be approved.

Your views as made above will be considered before the application is determined.
