Subject: RE: Y/3/22/OUT - land west of Bilsham Road, Yapton

Dear Lisa,

The application is still on the agenda for the Committee as we are unable to just decide to withdraw it from the agenda but we will request at the beginning of the Meeting that the Chairman/the Committee agree that it be deferred.

I have just emailed National Highways to see if they are willing to entertain a meeting however note that I am not in all next week so it would likely take place the week after at the earliest.

Kind Regards

Dear Simon

Following our conversation yesterday I would be grateful for written confirmation that the above item has been withdrawn from the agenda for planning committee on 25 May 2022.

I note your ambition to consider the item at the next planning committee on 22 June, which we welcome. Can I request that you facilitate a meeting with National Highways so we can resolve the alleged outstanding issues. We feel extremely let down by their late response. We have provided all the information they requested already and firmly believe had been able to engage with them earlier this may have been avoided.

It is important we avoid a repeat of this just before the next committee so anything you can do to help us get matters resolved promptly and fully with them would be appreciated.

Kind regards,
Lisa
