Thank you for your internet representation made on 28th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47811

We should not be building over more productive fields. The current problems with the War in Ukraine have demonstrated that only too clearly, and issues with the EU market since Brexit mean we need to have much more self resilience with production of our own food going forward. Other people have commented on the amount of housing sites already approved in Yapton. I strongly object to the underhand "legal challenge" to hold up the revision of the YNP then a few days later submitting this application. A total disgrace and I trust ADC will reject this application for all the good reasons that people have put forward for doing so.

Your views as made above will be considered before the application is determined.
