This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 1st June 2022 which has been recorded as an objection with the comments as follows:

OWPC47871

The fact that this application is outside of the local boundary plan should be a reason in itself for ADC to refuse. As stipulated in NPPF - new developments 'must' be planned to minimise impact on the countryside and the environment and it also states that the rural areas will retain their character with limited new developments - This application very clearly goes against this. The individual character of the village is disappearing with all the current new developments and should be stopped. There is a huge lack of infrastructure, roads are already congested, not enough schools or GP surgeries for any more! It is absolutely not necessary to allow any more housing developments in this area!

Your views as made above will be considered before the application is determined.
