We can't allow the loss of the countryside and farming land, especially Grade 1. Other suitable locations can be found that can be regenerated without taking such an important piece of land.
It's too close to Bilsham and will merge the village with the Hamlet, losing the village identity.
There is nothing at all for teens to do, it provides nothing for them so they kick about bored. Even with busses to the nearest towns there isn't the disposable cash in this area for the kids to travel to leisure centres/cinemas. They need something on their doorstep to keep them out of trouble. We played in the fields that are now built on so they haven't even got that! The village will be too big without suitable infrastructure so your setting up a community to fail. There is no other option than to travel to reach amenities putting pressure on the roads that are already accident hotspots, Comet Corner is lethal already.

Your views as made above will be considered before the application is determined.
