Dear Mr. Davis

I would like to share my objections to yet more buildings on the green fields of Yapton.

I understand the need to have more housing with our growing population however the sheer number of properties being built in Yapton feels like it is out of control. The infrastructure to support this huge increase in housing in the area has always been questionable but to build more just seems ludicrous. When is someone going to stand up and say Yapton has done its fair share to recent housing issues, enough now?

I would like my objections noted and please do direct me if there is a more suitable platform to express my objections to this.

Kind regards

Dionne Gooding (resident of Yapton for 20 years)
