Dear Sir/Madam,

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT

Site Address: Land West of Bilsham Road Yapton

Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 8th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48007

Yapton is already over developed with another 1,500 plus houses planned.

This development will join Yapton and Bilsham

Our water pressure is already very low and unable to cope.

What provision is being made for the colony of slow worms, lizards and dormice.

No solar panels or heat pumps have been included in any of these new builds.

These houses are environmentally unfriendly and should not be built on quality agricultural land, just because it is cheaper.

Your views as made above will be considered before the application is determined.
