I grew up in this area for most of my life, I find it extremely sad that all beautiful walking areas are being built on. What about children they need for places to run around and see different things without having to travel miles. It's the last bit left. There has been and also so many house have been built in this area as we speak. It will cause lots more trouble. Roads will be even more unsafe. I really don't think it's a good idea. Please do not build anymore houses.

Your views as made above will be considered before the application is determined.
