Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 7th August 2022 which has been recorded as an objection with the comments as follows:

OWPC49718

This is the last remaining field defining Yapton as a village and bilsham as a hamlet also this is prime agricultural land, with all the building work going on around Yapton I think landmark/langmeads have ruined the village of Yapton and there greed for money clearly shows that they don't care for the people who live here, we are having to endure the most horrendous dust and constant noise from the drove lane sight which has ruined the landscape completely, once gone we can never replace the lovely open country which is home to foxes, rabbits, hares, deer just to name a few of our wonderful wildlife around here, not only that, doing smaller building works mean they don't have to improve the road structure, sewage drainage, schools, doctors etc , so I really do object to any more building work in the location of Yapton

Your views as made above will be considered before the application is determined.
