The rate of housing developments going up in Yapton is alarming to say the least. I would like to continue to live in an area where there are SOME green spaces left for our children to play in rather than the concrete jungle developers seem to want to build in Yapton. So now they would like to add another 100+ houses in Yapton to go with the 100's that already being built? Once again, how is the infrastructure going to cope with the amount of cars in the area? Is anything ever going to be done with the Comet Corner junction which regularly has cars queuing to get out of Bilsham Road? So what will it be like when there are even more houses built? No!

Your views as made above will be considered before the application is determined.
