Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 12th August 2022 which has been recorded as an objection with the comments as follows:

OWPC49853

I ask the committee to reject this application because:

1. It will encroach on the green belt between Yapton and the hamlet of Bilsham. It is in total contravention of the YNP2 Update Policy E9 - Appendix 2A which concludes that Bilsham should be designated an Area of Character which includes its views over open farmland to the North, South, East and West
2. The village's infrastructure is already unable to cope
3. A further increase in traffic which is already chaotic
4. it is very much outside of the 2020 Revision of the Yapton Neighbourhood Plan

Your views as made above will be considered before the application is determined.
