Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 12th August 2022 which has been recorded as an objection with the comments as follows:

OWPC49862

Yapton is completely over run with housing developments. We certainly have our fair share.

The community are feeling like no one is listening to their objections and i suspect they are correct. I guess we'll soon see on this point!

This development should not go ahead, it is not viable with the facilities and infrastructure in Yapton. It will increase noise pollution and traffic congestion around the village and the surrounding area. Building is at such a high level in the village that there are genuine safety concerns. I wonder if it will sadly take an awful accident for this matter to be taken seriously.

We are doing immense harm to the environment by building on G1 agricultural land. We need to be conserving nature and not increasing the damage with build after build and on our green spaces. At a time where we need to be more self sustaining on our food production we building on green areas and it is not the way forward and is extremely short sighted.

Again, I strongly object to this planning application and really hope people listen and deny this application.
