Thank you for your internet representation made on 12th August 2022 which has been recorded as an objection with the comments as follows:

OWPC49864

This planning application should be rejected.

We do not have sufficient infrastructure in the village to cope with the many existing developments that have already been agreed.

The traffic around the village has grown so much over the last few years and the traffic congestion will only get worse. It feels too busy and there are significant safety concerns for people walking/driving around the village.

We should be conserving our environment and increasing nature and not building on every green field in Yapton. This is grade 1 agricultural land and should not be considered for building at all. At a time when we have heat waves and/or floods depending on the season we are knowingly further harming our environment by building on this field.

I strongly object to this application.

Your views as made above will be considered before the application is determined.
