Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 17th August 2022 which has been recorded as an objection with the comments as follows:

OWPC50170

I feel I must write to object to the additional housing proposed in the above application, which if agreed will further load an already oversubscribed number of houses in a relatively small 'green' area of Sussex. There are already ample areas of building going on local which, when completed and occupied, will further overload a road and services system that struggles to cope with the present demand. Not for a good reason is this application contrary to the local Development plan for the area. currently there is a small but definite divide between Yapton and Bilsham. This current green space will, if all goes ahead, produce one single connubation of Yapton/Bilsham which will destroy the small balance of village separation. This flagrant disregard for the nature and life of the region cannot go unchecked, and must be firmly refused if we are to have any sort of reasonable traffic flow and use of dwindling services.

Your views as made above will be considered before the application is determined.
