Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 17th August 2022 which has been recorded as an objection with the comments as follows:

OWPC50179

Yapton has been subject to ongoing housing development to the detriment of local services and infrastructure. I understand this proposed development is outside of the local plan. My main objection is loss of prime agricultural land at a time when our country should become more self sufficient in food production. In addition pressure on our roads in the village and beyond including lack of footway/cycle route at the upper end of Bilsham road. In addition a dangerous junction at 'comet corner' is likely to become more congested and dangerous. The GP, NHS and social care services are already struggling to cope and an increase in population will add to the pressure. The education provision is also under pressure. Having green spaces for leisure has many health benefits and currently these additional plans for more housing damages the environment and the local ecological system. I believe the level of development should be paused or suspended until a long term plan for the area is considered taking into account the infrastructure and the challenges facing us all currently
