Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/3/22/OUT
Site Address: Land West of Bilsham Road Yapton
Description of works: Hybrid Application comprising of Full application for Phase 1 for 30 No residential dwellings, new access from Bilsham Road, public open space, landscaping, sustainable urban drainage and associated works; and Outline planning application for further phases of up to 110 No dwellings and associated infrastructure (with all matters reserved). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 23rd August 2022 which has been recorded as an objection with the comments as follows:

OWPC50448

Yapton is already over developed. The roads are congested and no infrastructure/facilities are planned. Already, residents have had to put up with constant heavy lorry traffic, constant road works, noise and dust from the building work during the dry spell. Footpaths are closed or hard to access, the houses are bland red brick estates with hardly any green space around them. The developers are only interested in squeezing as many properties into the space as they can. Government have recently announced that we should be preserving agricultural land and growing our own food, so why build on this land. We should be growing crops not houses.

Your views as made above will be considered before the application is determined.
