Dear Sir

We live in Hoe Lane and would like to strongly object to the proposed development on the plot of land adjacent to Bonhams. My wife and I care for 3 adults with learning disabilities through WSCC Shared lives scheme, they have to walk up and down Hoe lane to catch their transport to their day centres, it is busy enough as it is without the extra flow of traffic that the development would undoubtedly cause on what can only be described as a narrow winding country lane, we chose this house because of the peace and tranquillity for our clients and for them to be able to remain independent and be able walk to the bus stop without fear of a busy road.

Yours Sincerely

Mr Malcolm and Mrs Christine Squires
