Dear Sir, Re- the development at Flansham for 34 Houses next to the A.259 roundabout at Hoe Lane, Flansham, This will set a precedent to Hoe Lane, Flansham, when the residents were assured that no development would take place to the north of the A.259. This new roundabout is already a bottleneck Which can make it difficult to get out of Flansham.

This development would totally change the character of a historic and unique hamlet.

Yours sincerely

Mr R & Mrs J Naldrett
